**Re: Account #254500-The Filter Connection LLC**

Dear M/M Opacki, Jr:

Your refusal to voluntarily correct your pricing in accordance to our M.A.P. pricing upon our request, your correspondence to others outside THK with accusations and threats, and your current HD filter consumer pricing at or below "Dealer Net", only validates our decision to terminate your HOYA Dealership with us.

To terminate your many years of business with our company was precipitated by your course of action(s) and choice.

Very truly yours,

James E. Carlson  
General Manager
